Dear Mr. Leege:

This has reference to your letter dated August, 2002, a copy of which is enclosed.

Our utility superintendent said that L-R Meter Testing was going through some transitions when the 6" meter needed to be tested and he had a difficult time scheduling the test. It was finally tested in April, 2002 and I have enclosed a copy of the testing report from L-R Meter Testing. If you have any further questions, please feel free to contact me. Sincerely,

Jane A. Dornfeld Clerk/Treasurer

2001 Analytical Review DWCCA-1210-PJL

Dear Ms. Dornfeld:

The Public Service Commission (Commission) staff has completed its analytical review of your utility's 2001 annual report. The primary purpose of the analytical review is to detect possible reporting or accounting related errors and also to identify significant fluctuations from prior years' data that are not sufficiently explained in the annual report. The analytical review did identify the following issue:

Wis. Admin. Code § PSC 185.76 requires periodic testing of customer meters to ensure their accuracy. Meters 1 inch or smaller shall be tested at least every 10 years, meters 1½ to 2 inches every 4 years, meters 3-4 inches every 2 years and meters over 4 inches every year. Your 6 inch water meter has not been tested at the appropriate frequency. If this meter is inaccurate, considerable revenue is lost. Please submit a plan within 60 days describing your efforts to bring your utility in compliance with the Wisconsin Administrative Code or reasons why your testing periods should be extended. If you have questions in regard to this matter, please contact Bruce Schmidt of our staff at (608) 266-5726.

Responding to the questions posed from the analytical review does not preclude you from possibly receiving other inquiries from our office regarding your annual report in the future: for instance, during a rate case, construction authorization, or other Commission reviews.

We appreciate your cooperation in providing the above information. If you have any questions, please feel free to contact me at (608) 267-9198. Please respond within 60 days of this letter. We prefer that you respond by e-mail if it is convenient for you to do so. My e-mail address is peter.leege@psc.state.wi.us. If we have no questions regarding your response, you can consider the review closed.

Sincerely,

Peter J. Leege Financial Specialist Division of Water, Compliance, and Consumer Affairs
